Prelude (Peace and Justice hymns would be great!)

Welcome

Call to Worship      **Worth of All Persons**

- God views all people as having inestimable and equal worth.
- God wants all people to experience wholeness of body, mind, spirit, and relationships.
- We seek to uphold and restore the worth of all people individually and in community, challenging unjust systems that diminish human worth.
- We join with Jesus Christ in bringing good news to the poor, sick, captive, and oppressed.

May we hold these principals dear in our hearts, minds and actions as we join in Jesus Christ's mission.

Peace Prayer as Responsive Reading

Leader:      God of all living,

Cong:        We are gathered here as community to hear your call.

Leader:      Yet, all around us the sounds of the disenfranchised and broken block out your song of peace.

Cong:        May your Spirit help us rise above the din and become the chords that bring a promise of unity and harmony.

Leader:      Where there is discord may our voices resonate with reason.

Cong:        Help us draw out into the world all those whose song is unheard and let our joy in you bring a new melody; a mighty chorus singing everlasting songs of your love.

Leader:      Thank you for your strength as we are found in the joy of the Lord leading all to singing the songs of Zion—the peaceable kingdom, living together as one.

ALL:         We pray this in the name of Jesus Christ, amen.
