

**Touch Us, Lord Jesus**

**July 22, 2018**

**Planner: Bonnie**

**Meditation Thought:** You hold precious lives in your hands. Be gentle and gracious with one another. A community is no stronger than the weakest within it. Even as the One you follow reached out to the rejected and marginalized, so must the community that bears his name.

**Peace Moment**

**Peace Statement**

Praying for peace at the beginning of the service helps center our minds and hearts on Christ's peace throughout our worship. Praying together our desire for peace at the end of our time together helps us focus on the deep need for peace beyond our walls. Christ's peace is more than a feeling—it is also a call to action. It is a call to take Christ's peace with us as we leave and journey from our sanctuary, to those who have no safe person or place.

Christ traveled in peace throughout the countryside, cities and desert places. We too travel on the roads, sidewalks, and byways of our community. May we take a blessing to those God calls us to encounter.
